**DANZIG** is back in the fifth generation of Australia's foals' pedigrees and several of his Group winners have a second line. His Gr.1 Breeders' Cup Mile winner Order of Australia has a dam by **DANEHILL** and sons of **DANEHILL** are also playing a significant role. His first classic winner, Galileo Chrome, has a dam by **DANSILI**, while Gr.2 winner Epona Plays has a dam by **ORATORIO**. Australia is also making his mark with mares by **DANEHILL DANCER**, siring the Gr.2 winners Sir Ron Priestly and Leo de Fury and Gr.3 winner Waipiro. Australia also has the 2023 Gr.3 winner Elounda Queen out of a **MASTERCRAFTSMAN** mare, as well as Listed winners out of daughters of **FASTNET ROCK** and **DUKE OF MARMALADE**.

Three of Australia's Group winners – Buckhurst, Beyond Reason and Patrick Sarsfield - are respectively inbred 4x2, 4x3 and 4x4 to **GREEN DESERT** and he also has Listed winners out of daughters of **OASIS DREAM** and **INVINCIBLE SPIRIT**.

His first two foals out of **WAR FRONT** mares are winners, including the classic-placed Group winner Adelaide River.

Galileo has 16 SWs from 72 foals out of daughters of **STORM CAT** (22%) and no fewer than 9 of them are Gr.1 winners.

Australia is benefiting from mares with **AHONOORA** blood. He has made an impressive start with mares by **ACCLAMATION**, which create 5x4 to **AHONOORA**. From 16 foals he has sired the very smart brothers Broome and Point Lonsdale and Gr.3 winner Counterparty Risk. Australia's Gr.1-placed son Sydney Opera House has a second dam by **AHONOORA**. Galileo's classic winners New Approach and Was respectively have a dam and a second dam by him.

Another son of Galileo sired the brilliant Enable from a **SADLER'S WELLS** mare. Frankel, Teofilo and Gleneagles have all sired Gr.1 winners from daughters of **MONTJEU**, this being 3x3 to **SADLER'S WELLS**. Australia has two SWs inbred 3x3 as their 2nd dams are by **SADLER'S WELLS**.

Australia's American Gr.1 winner Ocean Road has a dam by **THEATRICAL**. He also has a Gr.2 winner with a dam by **PEINTRE CELEBRE** and two Listed winners out of **PIVOTAL** mares. He also has two Group winners with second dams by **NUREYEV**. Galileo also excelled with this **NUREYEV** line, notably siring 12 SWs from 47 foals out of **PIVOTAL** mares (26 per cent). Galileo also has classic winners out of daughters of **THEATRICAL** and **STRAVINSKY**.

Galileo and his sons have thrived with mares from the **MILL REEF** line, and Australia's first classic winner, Galileo Chrome, has a second dam by **DARSHAAN**. Thanks to his smart son Bangkok, Australia is one of four sons of Galileo to have sired a Group winner from **DARSHAAN** mares.

Galileo excelled with the **ROBERTO** line, notably siring the King George and Eclipse winner Nathaniel, Great Heavens and Seville from daughters of **SILVER HAWK**. His partnership with **INTIKHAB** has been tremendously effective, with five Group winners from 13 foals, including Arc winner Found.

The **BLUSHING GROOM** line suits Galileo and his sons. Australia sired Gr.1 winner Mare Australis from a daughter of **RAINBOW QUEST** and he has a Gr.2 winner with a 2nd dam by him. **RAHY** sired the second dams of Galileo's Gr.1 winners Decorated Knight, Marvellous, Gleneagles, Joan of Arc, Happily and Deauville.

Australia sired the classic-placed Cayenne Pepper from a **MR PROSPECTOR** line mare, by **GONE WEST**'s son **ELUSIVE QUALITY**. The **KINGMAMBO** branch is particularly recommended, as are mares by **DUBAWI**. Four sons of Galileo have Group winners out of daughters of **DUBAWI**, with Frankel siring Mostahdaf, Adayar and Homeless Songs.
