

Gleneagles

With five crops of racing age, Gleneagles is now a well established sire thanks to 30 Stakes winners. He is also sire of One Look, who looked potentially top-class when she took the Goffs Million by 6 lengths on her only start.

Gleneagles is an excellent match for mares by sons of **DANEHILL**. He has 5 SWs from 27 foals (19%), including Gr.1 winner Loving Dream and Gr.2 winners Insinuendo, Royal Dornoch and Vero Atleta with **DANEHILL DANCER** mares. The similarly-bred Churchill sired dual classic winner Blue Rose Cen from a grand-daughter of **DANEHILL DANCER**. Gleneagles' very exciting daughter One Look has a dam by **HOLY ROMAN EMPEROR**, he also sired Gr.2 2YO winner Velocidad from a **DANSILI** mare, as well as three SWs from only 9 foals out of **ORATORIO** mares and the Japanese Gr.3 2YO winner Shock Action from a **FASTNET ROCK** mare. There are also Group winners out of **CLODOVIL** and **DUKE OF MARMALADE** mares, as well as one out of a mare by **HELLVELYN**, a grandson of **DANZIG**.

Southern Hills, out of an **INVINCIBLE SPIRIT** mare, won the Windsor Castle Stakes at Royal Ascot, while Gr.2 winner Baby Rider is from a daughter of **OASIS DREAM**.

An **ANABAA** mare with Gleneagles produced Royal Lytham winner of the Gr.2 July Stakes.

Gleneagles is also worth trying with daughters of **WAR FRONT** as Churchill, Australia and Ulysses are other Galileo stallions with smart performers out of **WAR FRONT** mares.

Gleneagles is just one of Galileo's stallion sons with important winners closely inbred to **SADLER'S WELLS**. His Gr.1 winners Loving Dream and Highland Chief are both inbred 3x3 while his Gr.2 winner Insinuendo is inbred 3x4.

Gleneagles' classic-placed Gr.2 winner Royal Scotsman has a dam by **PIVOTAL** and his Gr.2 winner Melo Melo is out of a grand-daughter of **PIVOTAL**, by **EXCELLENT ART**. It was a **THEATRICAL** mare that produced Measure of Time.

The **MILL REEF** line is a leading option as his Gr.1-winning son Highland Chief has a second dam by **DARSHAAN**.

Gleneagles doesn't have many foals out of **BLUSHING GROOM** line mares, but they include Gr.2 winner Jack Darcy, out of a **RAINBOW QUEST** mare, and Gr.3 2YO winner Freville, out of a mare by **RAHY**'s grandson **LE HAVRE**. One Look's grandam is by **ARAZI** and Gr.2 winner Royal Donarch has a grandam by **GROOM DANCER**.

Gleneagles should benefit from more **MR PROSPECTOR** blood. His very smart son Royal Scotsman has a 2nd dam by **GONE WEST**. Gleneagles' Gr.2 winner Novemba has a dam by Kingmambo's son **DUBAI DESTINATION**. Two of his Stakes winners, Seisai and Southern Hills, have 2nd dams by **KING'S BEST**.

Gleneagles already has Group-placed performers out of daughters of **LEAR FAN**, **DR FONG** and **INTIKHAB**. **ROBERTO** and **RED RANSOM** sired the second dams of two of his Group winners.
